

# Announcement

1/12/18

Sound Moves, a leading provider of live event logistics, today, announces the opening of a commercial office in Nashville, TN. The new office will be the company's 7th office in the U.S.A. dedicated to supporting local clients and the live event community.

"The opening of our new office in Nashville is an important step towards expanding coverage within the live event and concert touring industry." said Justin Carbone, Vice President. "Having a direct presence in the Nashville market allows us to cater to the specific requirements of the area's clientele."

The office is conveniently located at The Fort Knox Studios complex, the premier facility for music and film production all within a creative office ecosystem.

## About Sound Moves:

Since 1996 we are one of the world's leading providers of freight solutions for the live concert and live entertainment industries.

With specialist staff based in key global destinations, each member of the team is driven by a strong customer service ethic and an understanding of the unique demands of the entertainment industry. We provide globally recognized, multimodal transportation services across a range of industries to clients around the world.
